Strawbear
Keaton Henson

Gorgeous song and pretty straight forward to play. Strumming pattern isn t hard to pick
up after listening to it.

Capo 5
(I think he plays it capo 5 on B-sides and Rarities but capo 7 live. So whatever sounds
right to you.)

[Intro]
B G#m7 F#sus4/**Eb B** x2

[Verse]
```
B                 G#m7      F#sus4/Eb          B
Please pick me up on my long walk back home
       B             G#m7             F#sus4/Eb    B
Give me something to eat, for Iâ€™m weak to my bones,
      G#m7           Ebm             E        B
Hold me tight in your arms, give me glimmers of hope
```

[Chorus]
```
     G#m7             Ebm    E    F#
Do not love me though
     G#m7             Ebm    E    F#
Do not love me though
     G#m7             Ebm    E    F#
Do not love me though
```

B

[Verse]
```
     B           G#m7          F#sus4/Eb         B
Let me lay in your bed, talk of things you donâ€™t know
       B             G#m7              F#sus4/Eb    B
Take the clothes from my back, and make love to me slow
      G#m7       Ebm                 E           B
and youâ€™re free to think of all you feel and let go
```

[Chorus]
```
     G#m7             Ebm    E    F#
Do not tell me though
     G#m7             Ebm    E    F#
Do not tell me though
     G#m7             Ebm    E    F#
Do not tell me though
```

B

[Verse]
```
     B            G#m7          F#sus4/Eb    B
Introduce me to friends, make excuses for me
       B            G#m7           F#sus4/Eb  B
I will tug on your coat when Iâ€™m ready to leave
        G#m7           Ebm            E              B
Please donâ€™t let me stop you from thinking you are free
```

[Chorus]
```
        G#m7             Ebm    E    B F# (The C is quick and just in there once)
Donâ€™t fall for me
       G#m7             Ebm    E    F#
Donâ€™t fall for me
       G#m7             Ebm    E    F#
Do not fall for me
```

```
B
```

[Verse]
```
     B            G#m7          F#sus4/Eb    B
And when I get tired and eventually leave
       B             G#m7            F#sus4/Eb      B
Iâ€™ll get back on the road and Iâ€™ll leave you in peace.
        G#m7             Ebm            E              B
And I wonâ€™t even look back as the tears hit your cheek
```

[Chorus]
```
            G#m7             Ebm    E    F#
Please donâ€™t look at me
       G#m7               Ebm    E    F#
Do not look at me
       G#m7               Ebm    E    F#
Donâ€™t look at me
```

```
B   G#m7   F#sus4/Eb   B
```
