Intro: E F# G#m F# E D#m E

                  E                  F#                  G#m                  F#                  E  
D#m E  
If you must wait, wait for them here in my arms as I shake  
                  E                  F#                  G#m                  F#                  E                  D#m  
E  
If you must weep, do it right here in my bed as I sleep  
                  E  F#  G#m  
F#                  E                  D#m E  
If you must mourn my love, mourn with the moon and the stars up above  
D#m                  E                  F#                  G#m  
If you must mourn don t do it alone  
                  E                  F#  G#m                  F#  
E          D#m E  
If you must leave, leave as though fire burns under your feet  
                  E                  F#  G#m                  F#                  E                  D#m  
E  
If you must speak, Speak every word as it were unique  
                  E  F#  G#m  
F#                  E          D#m E          F#  
If you must die sweetheart, die knowing your life was my life s best part  
D#m                  E                  F#                  G#m                  F#                  E  
if you must die, Remember your life  
D#m          E  
F#          G#m

D#m          E  
You          are  
D#m          E  
You          are  
F#          G#m  
All

D#m          E  
You          are  
D#m          E  
You          are  
F#          G#m  
All

                  E                  F#                  G#m                  F#  
E                  D#m E  
If you must fight , fight with yourself and your thoughts in the night  
                  E                  F#                  G#m                  F#  
E                  D#m E

If you must work, work to leave some part of you on this earth
