Kehlani

[Intro] **D**

D
You have a way with words
G
Your silence is a curse
D
You always seem to break me down, down, down
D
My swollen heart you curve
D **G**
Your comfort makes it worse
D
I don't want you around round, round, round

D
Cause how is the man of my dreams not a man of his word?
Bm **G**
And how is the man for me just a man that makes me hurt?

D
It's time to take my own
G
Take my own advice, take my own advice
D
Need me to take my own
G
Take my own advice

D
I almost lost my mind
D **G**
I left myself behind
G
I almost crashed and fell right from the sky
D
I took a chance on this
D **G**
I took too big a risk
G
And now I'm left with pain to get me high

D
Cause how is the man of my dreams not a man of his word?
Bm **G**

And how is the man for me just a man that makes me hurt?

Bm **D** **G**

You had to break me, take me

A **D**

To make me better

D **G**

But I had to save me, baby

G

Now or never

D
