

Let Me Live
Kehlani

[Intro]

Am C Dm Em F

[Verse 1]

F

Do I have the sight

C

To face what I gotta see

F

Do I have this strength

Am

To fight my insecurities

Am

Can't hold my breath think I'm losing control

C

What's left in my ambitious is fading slow

F

Do I have the strength

Em

To get where I need to go

[Pre chorus]

D

Does anybody need me?

F

Does anybody feel me?

F

This ain't what I need

F

Wish I could be

D

A little bit braver

G

A little more sooner

G

A little more cooler

[Chorus]

Am

There's something in, something inside of me

C

Something in, something inside of me

C

Screaming over

Dm

Let me live out loud

Em

Oh-woah

F

Let me live let me live

[Verse 2]

Am

Afraid to be strong

C

And too strong to be afraid

F

Caught up in the days

F

Between staying and running away

Am

Can be a good girl and just do what I've told

C

Can't let this pillow just swallow me, oh

Dm

Em

Dm

Gotta go, find this train to carry this load

Dm

Em

Does anybody need me?

F

Does anybody feel me?

F

Try to break free

F

Wish I could be

Em

A little bit louder

Em

A little more sooner

G

Can you keep me talkin' ?

[Chorus]

Am

There's something in, something inside of me

C

Something in, something inside of me

Dm
