

Dont You Wish You Had The Answers
Keith Green

C **F** **G7** **C**
Look out your window, see the earth,
C **F** **G7** **C**
Where did it come from? Who gave it birth?
 Dm **G7** **C** **Am** **C**
Where did it come from? Where will it go, where will it go?
 Em **F** **G7** **C**
Don t you wish you had the answers? Well, I know,

See how the rain falls, who made the sky?
It s neverending, and you wonder why,
Where did it come from? Where will it go, where will it go?
Don t you wish you had the answers? Well, I know,

BRIDGE

F **G7** **C** **Am**
Just look out past the stars, look to the one who put them there,
 F **G7** **C** **Am**
He, He made them all, and He gave them to us, to us to share,
 F **G7** **C** **Am** **G7**
Yes He made them all and He s going to take them all back someday,

Don t you just wonder, what lies ahead?
There s peace in knowing, what Jesus said,
Where did you come from? Where will you go, where will you go?
Don t you wish you had the answers,
Don t you wish you had the answers,
Don t you wish you had the answers,
Well, I know.
