

**I Want To Be More Like Jesus**  
**Keith Green**

Capo 5 Key of G-----last chorus there is a key change **Fm D A Fm D E\**  
I can't figure out the bridge if you figure it out just leave a comment and i will edit it :)

**G** **Am**  
As each day passes by,  
**C** **G**  
I feel my love run dry.  
**Em** **C**  
I get so weary, worn,  
**D** **G**  
And tossed round in the storm.  
**Em** **C**  
Well I'm blind to others' needs,  
**D** **G**  
And I'm tired of planting seeds.  
**Em** **C**  
I seem to have a wealth,  
**Am** **C** **Dsus**  
Of so many thoughts about myself.

**G** **Em** **C** **G**  
I want to, I need to, be more like Jesus.  
**G** **Em** **C** **D**  
I want to, I need to, be more like Him.

**G** **Am**  
Our Father's will was done,  
**C** **G**  
By giving us His Son,  
**Em** **C**  
Who paid the highest cost,  
**D** **G**  
To point us to the cross.  
**Em** **C**  
And when I think of Him,  
**D** **G**  
Taking on the whole world's sin,  
**Em** **C**  
I take one look at me,  
**Am** **C** **Dsus**  
Compared to what I'm called to be.

**G** **Em** **C** **G**  
I want to, I need to, be more like Jesus.  
**G** **Em** **C** **D**  
I want to, I need to, be more like Him.

Remember, there s no greater love,  
Than to lay down you life for a friend

**G** **Am**  
The end of all my prayers,  
**C** **G**  
Is to care like my Lord cares.  
**Em** **C**  
My one and only goal,  
**D** **G**  
His image in my soul.  
**Em** **C**  
Yes my weakness is revealed,  
**D** **G**  
But by His stripes I m healed.  
**Em** **C**  
He s faithful and He s true,  
**Am** **C** **D**  
To complete the work he began in you
