

I Want To Be More Like Jesus
Keith Green

Capo 5 Key of G-----last chorus there is a key change **Fm D A Fm D E**
I can't figure out the bridge if you figure it out just leave a comment and i will edit it :)

G **Am**
As each day passes by,
C **G**
I feel my love run dry.
Em **C**
I get so weary, worn,
D **G**
And tossed round in the storm.
Em **C**
Well I'm blind to others' needs,
D **G**
And I'm tired of planting seeds.
Em **C**
I seem to have a wealth,
Am **C** **Dsus**
Of so many thoughts about myself.

G **Em** **C** **G**
I want to, I need to, be more like Jesus.
G **Em** **C** **D**
I want to, I need to, be more like Him.

G **Am**
Our Father's will was done,
C **G**
By giving us His Son,
Em **C**
Who paid the highest cost,
D **G**
To point us to the cross.
Em **C**
And when I think of Him,
D **G**
Taking on the whole world's sin,
Em **C**
I take one look at me,
Am **C** **Dsus**
Compared to what I'm called to be.

G **Em** **C** **G**
I want to, I need to, be more like Jesus.
G **Em** **C** **D**
I want to, I need to, be more like Him.

Remember, there s no greater love,
Than to lay down you life for a friend

G **Am**
The end of all my prayers,
C **G**
Is to care like my Lord cares.
Em **C**
My one and only goal,
D **G**
His image in my soul.
Em **C**
Yes my weakness is revealed,
D **G**
But by His stripes I m healed.
Em **C**
He s faithful and He s true,
Am **C** **D**
To complete the work he began in you
