Oh Lord, you re beautiful

C# F# G#

Your face is all I seek

Bbm F# C#

For when your eyes are on this child

F# G# C#

Your grace abounds to me

F# G# C#

I wanna take your word and shine it all around

F# G# C#

But first help me just to live it Lord

F# G# C#

And when I m doing well, help me to never seek a crown

F# G# C# F# G#

For my reward is giving glory to you

C# F# G#

Oh Lord, please light the fire

C# F# G#

That once burned bright and clear

Bbm F# C#

Replace the lamp of my first love

F# G# C#

That burns with holy fear
