

Rushing Wind
Keith Green

C G F C
Rushing wind, blow through this temple

G F C
Blowing out the dust within

G F C
Come and breathe your breath upon me

G F
For I ve been born again

C G F C
Holy Spirit, I surrender

G F C
Take me where you want to go

G F C
Plant me by your living water

G F C
Plant me deep so I can grow

G F C
Jesus, you re the one who sets my spirit free

G F C
Use me, Lord, glorify your holy name through me

C G F C
Separate me from this world, Lord

G F C
Sanctify my life for you

G F C
Daily change me into your image

G F
Help me bear good fruit

C G F C
Everyday you re drawing closer

G F C
Trials come to test my faith

G F C
But when all is said and done, Lord

G F
You know, it s been worth the wait

C G F C
Jesus, you re the one who sets my spirit free

G F C
Use me, Lord, glorify your holy name through me
