

Rushing Wind
Keith Green

C G F C
Rushing wind, blow through this temple
G F C
Blowing out the dust within
G F C
Come and breathe your breath upon me
G F
For I ve been born again

C G F C
Holy Spirit, I surrender
G F C
Take me where you want to go
G F C
Plant me by your living water
G F C
Plant me deep so I can grow

G F C
Jesus, you re the one who sets my spirit free
G F C
Use me, Lord, glorify your holy name through me

C G F C
Separate me from this world, Lord
G F C
Sanctify my life for you
G F C
Daily change me into your image
G F
Help me bear good fruit

C G F C
Everyday you re drawing closer
G F C
Trials come to test my faith
G F C
But when all is said and done, Lord
G F
You know, it s been worth the wait

C G F C
Jesus, you re the one who sets my spirit free
G F C
Use me, Lord, glorify your holy name through me
