Ain t no time, for weepin baby
No tears need to flow
Let no one tell you
How you should grow - Yeah

INSTRUMENTAL: PLAY THE RIFF 4x

Stretched to the limit honey
Locked in the hole
Hung out to dry
Still on a roll
Ready, willing, able, and big enough

Run in the front door
Run out the back
Wall in your face and
A gun in your back
No time for weepin baby
No need for tears
Let no one tell you honey
How you, how you should grow

{Big enough, big enough, big enough, yeah}
{Ready, willing, able, and big enough   }

INSTRUMENTAL: THEN REPEAT { } TO FADE OUT
