As I break these songs down its always so hard for me to believe there are usually

only 3 or 4 chords. Heres the progression:

**G#m7 F# D#m7 Emaj7**

Enjoy -Cloud9

Oh yeah baby

You got to make your mind up

Yeah, cut close

Help me out

Chorus:

**G#m7 F# D#m7 Emaj7**

You know, You know you are my lover baby

**G#m7**

Girl you got me twisted over you

**F# D#m7**

I got what you need right here baby

**Emaj7**

So what you wanna do?

**G#m7 F#**

Baby baby I know

**D#m7 Emaj7**

Baby I love you so

**G#m7 F#**

But you don t feel like I do

**D#m7 Emaj7**

**D#m7** **Ema j7**

**G#m7**

But I gotta be strong

**F#**

Girl you did me wrong

**D#maj7** **Ema j7**

When I thought we were really down

(I know we were down)

**G#m7**

Now you say you want me girl

**F#**

Ooh make up your mind

**D#maj7** **Ema j7**

Cause I m not gonna be here for long

(I m not gonna be here for long)

Chorus:

**G#m7** **F#** **D#m7** **Ema j7**

You know, You know you are my lover baby

**G#m7**

Girl you got me twisted over you

**F#** **D#m7**

I got what you need right here baby

**Ema j7**

So what you wanna do?

(Break it up now)

[\*rap\*]

You got me twisted thinkin about the way that things used to be

When it was you and me, girl I was so free, see

You had my heart from the start like, Cupid

And I was just downright foolish and stupid

But now I know the reason for the pain and the headaches  
You left me all alone, now I can't even concentrate  
I guess I'll wait for the day until you come back  
Because my heart is where your love is at  
You got me twisted

Chorus:

**G#m7**                      **F#**                      **D#m7**                      **Ema j7**

You know, You know you are my lover baby

**G#m7**

Girl you got me twisted over you

**F#**                                      **D#m7**

I got what you need right here baby

**Ema j7**

So what you wanna do?

(What are you gonna do baby?)

Chorus x2:

**G#m7**                      **F#**                      **D#m7**                      **Ema j7**

You know, You know you are my lover baby

**G#m7**

Girl you got me twisted over you

**F#**                                      **D#m7**

I got what you need right here baby

**Ema j7**

So what you wanna do?

(What are you gonna do? Tell me, baby)
