the re hasn t been peace on our street since
who knows when

I don t mean to listen in but the shouting is so loud
I turn up the radio to drown it out

heaven only knows how I ve been blessed
with the gift of your love
I look around and all I see

is your happiness embracing me
oh lord I d be lost
but for the grace of God
(verso 2)
I can see that old man
he s walking past our door
I ve been told that he s rich
but he seems so poor
 cause no one comes to call on him

and his phone it never rings
he wonders through his empty home
surrounded by his things
