What kind of spell is this

D

That you've cast on me with your kiss

G

D

A

It's like I've lost all control of my senses

D

It's just not like me, to give in so easily

G

D

A

And dropping my thought and I'm leaving my heart defenseless

G

D

A

G

D

A

Oh, but I'm feelin' good here beneath the pines of the Georgia woods

Chorus:

A

D

And what a surprise, hear by my side

G

It's more than a full moonshine and it's driving me crazy

A

D

I waited so long, something is strong

G

A

And now I gotta be fallin' cuz I'm already callin' you baby

VERSE 2: SAME AS VERSE 1

There's nobody here to see

The sparks between you and me

We better be careful my love or these woods will be burning

Or maybe we just give in, throw caution to the wind

It's funny how we ain't got any say in the matter

Chorus: SAME AS PREVIOUS CHORUS

And what a surprise, hear by my side

It's more than a full moonshine and it's driving me crazy

I waited so long, something is strong

And I gotta be fallin' cuz I'm already callin' you baby

Uh huh

Oh take me down town

Uh huh

SAME AS CHORUS

Yeah, I waited so long, somethin is strong
And I know I m falling cuz I m already callin you
Oh
What a surprise, hear by your side
It s more than a full moonshine and it s driving me crazy
Oh waited so long, something is strong
And we know I m fallin cuz I m already callin you
Oh callin you baby
Yeah, uh huh
