capo 2 G The first time I looked in your eyes I knew Em That I would do anything for you The first time you touched my face I felt D What I never felt with anyone else G I want to give back what you ve given to me Em And I want to witness all of your dreams С Now that you ve shown me who I really am D I want to be more than just a man C I want to be the wind that fills your sails D And be the hand that lifts your veil С and be the moon that moves your tide D The sun coming up in your eyes G *Be the wheel that never rust р and be the spark that lights you up C Am all that you ve been dreaming of and more C G so much more I want to be your everything G When you wake up I ll be the first thing you see Em And when it gets dark you can reach out to me I charish you words and I finish your thoughts D and I ll be your compass baby when you get lost chours again solo
