

**One Chord Song**  
**Keith Urban**

**G**

This is my one chord song.  
Its easy to sing along.  
Cause there aint much in the way it change.  
Sometimes life can be that way.

Yea there aint too much i can do with a melody.  
Cause im stuck in the confines of the single key of G.

This is my one chord song.  
I can t go on too long.  
Cause I ve said all I ve got to say.  
And you probably won t hear this anyway.

Yea now here s the same thing you ve heard 8 bars before.  
Cause just like me i m sure your bored with this chord.

If I can make you stop and think About the life you re living in  
Cause you and I dont have long.  
So make the most before it s gone

This is my one chord song.  
I can make it sound like it s another chord.  
But you d be fooled cause it s only one.

This is my one chord song.  
This is my one chord song.  
This is my one chord song.

-Very very Simple just one chord!
