

Put You In A Song

Keith Urban

F C

F

Well here you come again and you're lookin' so fine

Em

You don't notice me but it's alright

F

Am

I'm just a guy who wishes that I could be your man someday

F

Yeah a picture paints a thousand words it's true

Em

But it's still not enough for how I feel about you

Dm

F

I wanna put you in a melody, I gotta set you to a groove

(Chorus)

F

I wanna put you in my car and drive and turn you up loud

C

roll down all the windows and shout it out

F

I love this girl oh

If I could press play, repeat how happy I'd be

C

Wherever I'd go I'd have you there with me

Dm

You'd be right where you belong

F

C

I wanna put you in a song, oh oh oh

Well I'd sing about your smile and your pretty blue eyes

The way your hair shimmers in the sunlight

It'd be so easy I'd just write it from my heart

'Cause I gotta tell the world what you mean to me

Wrap you up in a melody so you'll be

Stuck in my head all day

'Cause you're already there anyway, yes you are

(Chorus)

I wanna put you in my car and drive

And turn you up loud, roll down all the windows and shout it out

I love this girl

If I could press play, repeat how happy I'd be

Wherever I'd go I'd have you there with me

You'd be right where you belong

I wanna put you in a song

Bridge

**G** **Dm**  
And if I get it right everybodyâ€™d be singing along yeah  
**G**  
And when they see you on the street theyâ€™ll say  
**F**  
Hey ainâ€™t you the girl in that song

(Chorus)

I wanna put you in my car and drive  
And turn you up loud, roll down all the windows and shout it out  
Iâ€™m in love with this girl  
Yeah if I could press play, rewind a couple million times  
Imagine for a moment that youâ€™re all mine  
Every night Iâ€™d drive you home  
If I could put you in a  
Let me put you in a song
