Keith Urban

A E

A

Well here you come again and youâ€™re lookinâ€™ so fine

G#m

You donâ€™t notice me but itâ€™s alright

A

C#m

Iâ€™m just a guy who wishes that I could be your man someday

A

Yeah a picture paints a thousand words itâ€™s true

G#m

But itâ€™s still not enough for how I feel about you

F#m

A

I wanna put you in a melody, I gotta set you to a groove

(Chorus)

A

I wanna put you in my car and drive and turn you up loud

E

roll down all the windows and shout it out

A

I love this girl oh

If I could press play, repeat how happy Iâ€™d be

E

Wherever Iâ€™d go Iâ€™d have you there with me

F#m

Youâ€™d be right where you belong

A

E

I wanna put you in a song, oh oh oh

Well Iâ€™d sing about your smile and your pretty blue eyes

The way your hair shimmers in the sunlight

Itâ€™d be so easy Iâ€™d just write it from my heart

â€™Cause I gotta tell the world what you mean to me

Wrap you up in a melody so youâ€™ll be

Stuck in my head all day

â€™Cause youâ€™re already there anyway, yes you are

(Chorus)

I wanna put you in my car and drive

And turn you up loud, roll down all the windows and shout it out

I love this girl

If I could press play, repeat how happy Iâ€™d be

Wherever Iâ€™d go Iâ€™d have you there with me

Youâ€™d be right where you belong

I wanna put you in a song

Bridge

B **F#m**

And if I get it right everybodyâ€™d be singing along yeah

B

And when they see you on the street theyâ€™ll say

A

Hey ainâ€™t you the girl in that song

(Chorus)

I wanna put you in my car and drive

And turn you up loud, roll down all the windows and shout it out

Iâ€™m in love with this girl

Yeah if I could press play, rewind a couple million times

Imagine for a moment that youâ€™re all mine

Every night Iâ€™d drive you home

If I could put you in a

Let me put you in a song

Let me put you in a song

Oh a pretty little song about you baby
