

Shine
Keith Urban

Ok, chords are right but the placements are a little off; listen to the song and make corrections for yourself...have fun, I love this song.

INTRO:
Piano ~ 14 Seconds
Drums ~ 5 Seconds

F#m - E - D - A x 2
F#m - E- D

VERSE:

D
Winter s weighing on your shoulders
A **F#m - E- D**
It s hanging around a little too long
And I can see it in your eyes **F#m**
You ve taken on a load that s just too strong
E
Oh, but let me get down to the heart of the matter
Baby, if you want I can make it better now

CHORUS:

A **E**
When the sun is hard to find
Bm
When it s raining in your eyes **D**
When the shadows block those pretty little blue skies living inside you
A **E**
Bm
When the falling of your tears, makes a candle disappear
D
When you just can t see the light **F#m - E- D**
Baby, I ll find a way to shine **A - D** **F#m - E- D**
I ll find a way to shine

VERSE:

D
Everybody s got a cross to carry **A** **F#m - E- D**
Everybody s got a story they can tell

F#m

Ya know you re not the only one counting on a quarter in a wishing well

E
Woah don t sit there with your heart under lock and key

Gimmie one chance baby, I can set you free

CHORUS:

A **E**
When the sun is hard to find

Bm
When it s raining in your eyes

D
When the shadows block those pretty little blue skies living inside you

A **E** **Bm**
When the falling of your tears, makes a candle disappear

D
When you just can t see the light

F#m - E- D
Baby, I ll find a way to shine

A - D
I ll find a way to shine
