(verse 2)
I bet your heart, like mine, Has been broken by someone
You never should have given it to, Oh, no
So we put up a wall, To keep from falling so hard
It’s so sad, Cause there’s such good love inside
And I’ve been hoping that I, might find
Someone who feels the same way, Someone to share, my life
On this beautiful ride together we could see it all Through

(GO TO CHORUS)

(bridge)
Am   **Bb**   **Am**   **Bb**
 So this morning Iâ€™m just gonna walk up and say hello to you
Am   **Bb**   **Gm**

   C   **F** - **Dm**
I know which one I know which one Iâ€™d choose
