

**We Were Us**  
**Keith Urban**

Keith Urban, ft. Miranda Lambert, We Were Us

[Intro]

**D G**

[Verse 1]

**D**

Rearview crosses, railroad ties

**G**

Oh, Hail Marys, Friday nights

**D**

Heartbeat baby, low-beam lights

**G**

God, I miss when you were mine

[Chorus]

**D**

Back when that song was a song

**Em**

I could sing along without thinkin bout you every time it came on

**F#m**

**G**

Every beat, every line, every word, every time

**D**

When a road was a road

**Em**

I could roll on through without wishin that empty seat was you

**F#m**

Money was gas, dreams were dust

**G**

**D**

**G**

Love was fast and we were us, hmm

[Verse 2]

**D**

Shotgun sunset, a cool mint kiss

**G**

Backseat promise, breaking it

**D**

Floorboard feeling, county lines

**G**

God, I miss when you were mine

[Chorus]

**D**

Back when that song was a song

**Em**

I could sing along without thinkin bout you every time it came on

**F#m**

**G**

Every beat, every line, every word, every time

**D**

When a road was a road

**Em**

I could roll on through without wishin that empty seat was you

**F#m**

Money was gas, dreams were dust

**G**

**D**

Love was fast and we were us

[Bridge]

**D/A**

**D/B**

In a sleepy town, just jumping in

**G**

Far too young to know that summers end

**D**

**D/A**

We were us, we can't go back

**D/B**

**G A**

It's what it is, but God I miss

[Chorus]

N.C.

Back when that song was a song

I could sing along without thinkin bout you every time it came on

**F#m**

**G**

Every beat, every line, every word, every time

**D**

When a road was a road

**Em**

I could roll on through without wishin that empty seat was you

**F#m**

Money was gas, dreams were dust

**G**

**D**

**Em**

Love was fast and we were us

**F#m**

**G**

Every beat, every line, every word, every single time

**D**

**Em**

(a-ee-he) ooh every time, (baby) time I do

**F#m**

I just close my eyes and you're ridin shotgun

**G**

**D**

**Em**

**F#m**

You and me, baby, on the run (I miss you baby, I miss you baby)

**G**

**D Em F#m**

I wanna (still miss you baby)

**G**

**D**

**G**

**D**

**G**

I can feel your heartbeat, baby
