Very beautiful song, very easy to play even the solo. Peace...

Intro : **G C G C**

G **D** **C** **G**
I remember as a kid wishin I was seventeen
C B/C
No more school, my own car,
F **D**
Back then it was all a dream
G D
Then came the day to say goodbye to the
C G
room that was once mine
D **Am**
One last look at my old world then
F **C**
I closed the door behind, to

Chorus:

G **D C**
Yesterday, everything was easy
C G **D**
Livin life like there was no tomorrow
G D C **D**
Now everyday memories still remind me
C D G
How good things used to be yesterday

Well thirty-five soon rolled around
and everything had changed
I could count friends on one hand and
the good times weren t the same
But finally I cam to understand why people say
Don t spend all your childhood wishin
the best years away

Chorus:

Yesterday, everything was easy
Livin life like there was no tomorrow
Now everyday memories still remind me
How good things used to be yesterday

Em Bm

Now I m longin for the freedom

C D

That I let slip away

Em Bm

I took it all for granted

C D

Now it s gone like yesterday
