Great song....My first tab! Let me know what you think!

Keith Urban: You Look Good in My Shirt

[Intro]

**G C G**

[Verse 1]

**C G**  
When you walked up behind me and covered my eyes  
**D Em**  
And whispered in my ear, guess who?  
**C G**  
I rattled off names like i really didn t know  
**D C G**  
But all along I knew it was you  
**C G**  
And the longer we talked, the more we laughed  
**D Em**  
And wondered why we didn t last  
**C G**  
It had been a long time, but late last night  
**D C G**  
Baby, we caught up real fast

[Chorus]

**C D G**  
And maybe it s a little too early  
**Em D C**  
To know if this is gonna work  
**C D G C**  
All I know is you re sure looking  
**Em D G**  
Good in my shirt

**G**  
That s right...

**Em D C G**

You look good in my shirt

[Verse 2]

Well, now I m not saying that we solved overnight  
Every way that we went wrong  
Oh, but what I m seeing, I d sure love seeing  
Every morning from now on

[Chorus]

And maybe it s a little too early  
To know if this is gonna work  
All I know is you re sure looking  
Good in my shirt

Come on now, aww that s right  
Oh you look so fine

[Chorus]

And maybe it s a little too early  
To know if this is gonna work  
All I know is you re sure looking  
Good in my shirt

[Chorus]

And maybe it s a little too early  
To know if this is gonna work  
All I know is you re sure looking

Good in my shirt

**Em**            **D**            **C**

You look good in my shirt... 1, 2, 3, 4

Ha ha

[Outro]

**G**        **C**
