

You'll Think Of Me
Keith Urban

[Verse 1]

Em **C**
I woke up early this morning around 4am
G **D**
with the moon shining bright as headlights on the interstate
Em **C**
I pulled the covers over my head trying to catch some sleep
G **D**
But thoughts of us kept keeping me awake
Am **Em**
Ever since you found yourself in someone else's arms
F
I've been trying my best to get along, but that's o.k., there's nothing left to say...but

[Chorus]

G **D** **Em**
Take your records, take your freedom, take your memories I don't need them
C **G**
Take your space and take your reasons, but you'll think of me
D
and take your cat, and leave my sweater, cause we've got nothing left to
Em **C** **G**
weather, in fact I'll feel a whole lot better, but you'll think of me
D
you'll think of me

[Verse 2]

I went out driving trying to clear my head
tried to sweep out all the ruins my emotion left
I guess I'm feeling a little tired of this
and all of the baggage that seems to exist
it seems the only blessing I have left to my name
is not knowing what we could have been, should have been so...

[Chorus]

G **D** **Em**
Take your records, take your freedom, take your memories I don't need them
C **G**
Take your space and take your reasons, but you'll think of me
D
and take your cat, and leave my sweater, cause we've got nothing left to
Em **C** **G**
weather, in fact I'll feel a whole lot better, but you'll think of me
D
you'll think of me

[Bridge]

...feel a whole lot better but you ll think of me
C **F**
Am **Em** **D**
someday, I m gonna run across your mind, dont worry I ll be fine
F **Am**
I m gonna be alright, while your sleeping with your pride
Em **F**
wishing I could hold you tight,I ll be over you, and on with my life

[Chorus]

G **D** **Em**
Take your records,take your freedom, take your memories I don t need them
C **G**
Take your space and take your reasons, but you ll think of me
D
and take your cat,and leave my sweater,cause we ve got nothing left to
Em **C** **G**
weather , in fact I ll feel a whole lot better, but you ll think of me
D
you ll think of me
