

**Your Everything**  
**Keith Urban**

Capo 2

[Verse]

**G#**

The first time I looked in your eyes I knew

**Fm**

That I would do anything for you

**C#**

The first time you touched my face I felt

**Eb**

What I never felt with anyone else

**G#**

I want to give back what you've given to me

**Fm**

And I want to witness all of your dreams

**C#**

Now that you've shown me who I really am

**Eb**

I want to be more than just a man

[Chorus]

**G#**

I want to be the wind that fills your sails

**Eb**

And be the hand that lifts your veil

**C#**

and be the moon that moves your tide

**Eb**

The sun coming up in your eyes

**G#**

\*Be the wheel that never rust

**Eb**

and be the spark that lights you up

**C#**

**Bbm**

all that you've been dreaming of and more

**C#**

**G#**

so much more I want to be your everything

[Verse]

**G#**

When you wake up I'll be the first thing you see

**Fm**

And when it gets dark you can reach out to me

**C#**

I cherish your words and I finish your thoughts

**Eb**

and I'll be your compass baby when you get lost

[Chorus]

**G#**

I want to be the wind that fills your sails

**Eb**

And be the hand that lifts your veil

**C#**

and be the moon that moves your tide

**Eb**

The sun coming up in your eyes

**G#**

\*Be the wheel that never rust

**Eb**

and be the spark that lights you up

**C#**

**Bbm**

all that you've been dreaming of and more

**C#**

**G#**

so much more            I want to be your everything
