

**Your Everything**  
**Keith Urban**

Capo 2

[Verse]

**F#**

The first time I looked in your eyes I knew

**Ebm**

That I would do anything for you

**B**

The first time you touched my face I felt

**C#**

What I never felt with anyone else

**F#**

I want to give back what you've given to me

**Ebm**

And I want to witness all of your dreams

**B**

Now that you've shown me who I really am

**C#**

I want to be more than just a man

[Chorus]

**F#**

I want to be the wind that fills your sails

**C#**

And be the hand that lifts your veil

**B**

and be the moon that moves your tide

**C#**

The sun coming up in your eyes

**F#**

\*Be the wheel that never rust

**C#**

and be the spark that lights you up

**B**

**G#m**

all that you've been dreaming of and more

**B**

**F#**

so much more I want to be your everything

[Verse]

**F#**

When you wake up I'll be the first thing you see

**Ebm**

And when it gets dark you can reach out to me

**B**

I cherish your words and I finish your thoughts

**C#**

and I'll be your compass baby when you get lost

[Chorus]

**F#**

I want to be the wind that fills your sails

**C#**

And be the hand that lifts your veil

**B**

and be the moon that moves your tide

**C#**

The sun coming up in your eyes

**F#**

\*Be the wheel that never rust

**C#**

and be the spark that lights you up

**B**

**G#m**

all that you've been dreaming of and more

**B**

**F#**

so much more            I want to be your everything
