That I would do anything for you

Now that you've shown me who I really am

**E**

I want to be more than just a man

[Chorus]

**A**

I want to be the wind that fills your sails

**E**

And be the hand that lifts your veil

**D**

and be the moon that moves your tide

**E**

The sun coming up in your eyes

**A**

\*Be the wheel that never rust

**E**

and be the spark that lights you up

**D**

all that you've been dreaming of and more
