

Tell Lori I Love Her
Keith Whitley

[Verse 1]

F
If I were alone in the desert
Bb **F**
Without a drink of water around
Bb **F**
On my knees and hands in that white, scorching sand
C
With the hot Sahara sun beating down
F
If I could be granted my wishes
Bb **F**
If anything I want could come true
Bb **F**
I know that it might sound funny
C **F**
But here's what I'd want you to do

[Chorus]

Bb
Tell Lorrie I love her
F
Tell Lorrie I need her
C
Tell her everything would be okay
F
If I could just see her
Bb
Tell Lorrie I love her
F
Tell Lorrie I need her
Gm
If I leave this old world
C **F**
Tell her she's the only girl for me

[Verse 2]

F
If I were adrift on the ocean
Bb **F**
A vessel with no sails or steam
Bb **F**
Floating aimlessly on and endless sea
C
Hopelessly lost it would seem
F
If all of the fish in the water

Bb **F**
Could echo my last dying plea
Bb **F**
I know you might not understand it
C **F**
But here's what I'd want it to be

[Chorus]

Bb
Tell Lorrie I love her
F
Tell Lorrie I need her
C
Tell her everything would be okay
F
If I could just see her
Bb
Tell Lorrie I love her
F
Tell Lorrie I need her
Gm
If I leave this old world
C **F**
Tell her she's the only girl for me
