

Tell Lori I Love Her
Keith Whitley

[Verse 1]

F#
If I were alone in the desert
B **F#**
Without a drink of water around
B **F#**
On my knees and hands in that white, scorching sand
C#
With the hot Sahara sun beating down
F#
If I could be granted my wishes
B **F#**
If anything I want could come true
B **F#**
I know that it might sound funny
C# **F#**
But here s what I d want you to do

[Chorus]

B
Tell Lorrie I love her
F#
Tell Lorrie I need her
C#
Tell her everything would be okay
F#
If I could just see her
B
Tell Lorrie I love her
F#
Tell Lorrie I need her
G#m
If I leave this old world
C# **F#**
Tell her she s the only girl for me

[Verse 2]

F#
If I were adrift on the ocean
B **F#**
A vessel with no sails or steam
B **F#**
Floating aimlessly on and endless sea
C#
Hopelessly lost it would seem
F#
If all of the fish in the water

B **F#**
Could echo my last dying plea
B **F#**
I know you might not understand it
C# **F#**
But here s what I d want it to be

[Chorus]

B
Tell Lorrie I love her
F#
Tell Lorrie I need her
C#
Tell her everything would be okay
F#
If I could just see her
B
Tell Lorrie I love her
F#
Tell Lorrie I need her
G#m
If I leave this old world
C# **F#**
Tell her she s the only girl for me
