

Tell Lori I Love Her
Keith Whitley

[Verse 1]

A
If I were alone in the desert
 D **A**
Without a drink of water around
 D **A**
On my knees and hands in that white, scorching sand
 E
With the hot Sahara sun beating down
 A
If I could be granted my wishes
 D **A**
If anything I want could come true
D **A**
I know that it might sound funny
 E **A**
But here s what I d want you to do

[Chorus]

D
Tell Lorrie I love her
 A
Tell Lorrie I need her
 E
Tell her everything would be okay
 A
If I could just see her
 D
Tell Lorrie I love her
 A
Tell Lorrie I need her
 Bm
If I leave this old world
 E **A**
Tell her she s the only girl for me

[Verse 2]

A
If I were adrift on the ocean
D **A**
A vessel with no sails or steam
D **A**
Floating aimlessly on and endless sea
 E
Hopelessly lost it would seem
 A
If all of the fish in the water

D **A**
Could echo my last dying plea
D **A**
I know you might not understand it
E **A**
But here's what I'd want it to be

[Chorus]

D
Tell Lorrie I love her
A
Tell Lorrie I need her
E
Tell her everything would be okay
A
If I could just see her
D
Tell Lorrie I love her
A
Tell Lorrie I need her
Bm
If I leave this old world
E **A**
Tell her she's the only girl for me
