

**Scream**  
**Kelis**

**C** **Eb**  
Been running in place for such a long time  
**Bb** **F**  
Stuck in a race in the wrong line  
**C** **Eb** **Bb F**  
When it all came down on me.  
**C** **Eb**  
And I havent had faith for such a long time  
**Bb** **F**  
Am I outta place or out of my mind  
**C** **Eb** **Bb F**  
Should it all fall down on me

**C** **Eb**  
Its not enough to live so just dream  
**Bb** **F**  
Its not enough to live so just dream  
**C** **Eb**  
Its not enough to live so just dream  
**Bb** **F**  
Its not enough to sing so just scream

**C5**  
Youll never know  
If you dont let it out  
You ve had enough  
Thell call your bluff  
You cant back down lost in a crowd  
Youve won the right to scream and shout  
They ll talk about you lost your cool  
There is no point who makes the rules  
So lets get to it  
Now youll prove it  
Break out

**C5**  
Scream and shout  
Scream and shout  
Scream and shout  
Scream and shout

**C** **Eb**  
Been running in place for such a long time  
**Bb** **F**  
Stuck in a race in the wrong line  
**C** **Eb** **Bb F**  
When it all came down on me.

**C** **Eb** **Bb F**  
Should it all fall down on me

**C** **Eb**  
Its not enough to live so just dream  
**Bb** **F**  
Its not enough to live so just dream  
**C** **Eb**  
Its not enough to live so just dream  
**Bb** **F**  
Its not enough to sing so just scream

**C5**  
Sound the alarm  
Raise your arms  
Your on your own  
Your not alone  
Big city got you on the ground  
Afraid to fight dont make a sound  
So lets get to it  
Now youll prove it  
Push back

**C5**  
Scream and shout  
Scream and shout  
Scream and shout  
Scream and shout

**C** **Eb**  
Been running in place for such a long time  
**Bb** **F**  
Stuck in a race in the wrong line

Its not enough to live so just dream  
**Bb** **F**  
Its not enough to live so just dream  
**C** **Eb**  
Its not enough to live so just dream  
**Bb** **F**

Its not enough to sing so just scream
