Artist - Keller Williams

Song - Bob Rules

Dm **A**
Twelve o'clock check out we've got an entire hour
Where is the remote, no time for the manual power

C **Dm**
I put the name tag over the heart
On my shirt, that says Bob Rules
I stood in line for days
With all the other fools

G **D** **A**
And then the voice of an angel that belonged to Rob Roddy
Called my name and said Come on down, you're the next contestant
Oh my God I was hyperventilating

G **D** **A** **Asus** **A** **Asus** **A**
I hope I do not wake up from this dream;
Which is what it was

Dm **A**
Janice she slipped on wearing a diamond dog collar
Still in complete shock I muttered the words One Dollar

C **Dm**
Everyone else overbid,
And their eyes turned to me with rage
For my dogs will be wearing diamonds
And I get to go onstage

Dm **A**
I picked up old Bob and I hugged him just, like a bear
He said Put me down son and feast your eyes over there

C **Dm**
The sliding door was ajar,
I was as happy as I could get
For it was a brand new car--
A Chevrolet Chevette

Dm **A**
The showcase showdown was set for a quarter to noon
My spin did not make it all the way around, I got booed

C **Dm**
So I pulled down as hard as I could
Just like they all knew that I would
I was happy to be alive
When it landed on \$0.95

B **Bb** **A** **Dm**
Next thing I knew I was standing next to a Marine
Who did not like her showcase and passed it on over to me
Crunching the numbers I tried to remain calm
How much is an all expenses paid trip to Guam?

Before I could answer a banging came to my door
The housekeeper said You must leave now or pay more -- you have dog

C **Dm**

I guess I fell back asleep
And slept right through that show
But the next time I m in L.A.
You know where I m gonna go
