

Gate Crashers Suck
Keller Williams

intro: G to D a few times

G **D** **C** **D**
I was there at Deer Creek back in nineteen ninety five

G **D** **C**
I think it was June maybe July

D
But Jerry was still alive

C **D**
All the kids in that parking lot

G **D** **Em** **C**
They tore that fence down

D
And I blamed them

C **D**
For the second show getting cancelled.

C **D**
I really wanted to go

G **D** **Em**
I saved up all of my dough

C **D**
I didn't go to any other shows

G **D** **Em**
And I got my tickets M.O.

C **D**
And I never missed a Deer Creek show

G **D** **Em**
From eighty-nine to ninety-five

C~
I was happy just to be alive

D~
On my yearly Indiana vacation

C **D** **G** **D**
But that was cut short by a bunch of jealous,

Em **C** **D** **G~**
party bashin , buzz thrashin , gate crashin , stinky bastards

C
And if you're one of them

D
And you hear this song

G **D** **C**
Fuck you

D **G** **D** **C**
You cock sucking motherfucker

repeat that a few times

G

Fuck You

This is a great song, and i couldnt find any tabs anywhere online so i decided to try it out myself. Hope this helps.
