

Life Is
Keller Williams

Artist - Keller Williams

Song - Life Is

Tuning: **D A F C G D**

B **E**
Life is like a thrift store

Oh, the joy of the score

B
The thrill of the hunt

E
The love of the game

I m the moth, life is the flame

B
I always seem to want more

E
Than I can afford

B **E**
It s just too short for the pain

D **A** **E**
I m in the gutter, life is the lane...

D **A** **E**
Life is the lane...

Life is like an ice cream cone
Dripping down your hand
You gotta learn how to lick it
Or you ll be in a sweet sticky puddle right where you stand
So many flavors to choose from
Yet so hard to decide
Life is like a rocky road stain
It s just along for the ride
It s along for the ride...

E **B**
Cuz it s the same dance, different song

Db **A**
Sleep won t let me rock it to you all night long

E **B**
It s Acoustalunatickle anarchy

Db **A** **Bb** **B**
I love it when you don t take me seriously

Life is like a roller coaster
With a big long line
You get burned in the sun while you re waiting
For your turn to ride
Loop-de-loop and twist and turn
All at high speeds
Life is the rush of the first drop
That s the jones that I feel...
That s the jones that I feel...

Chorus

Bridge:

Bmin9 Dmin9 Amin9 Cmin9
Gmin9 Bbmin9 Amin9 Cmin9

Life is like this dumb song
That gets stuck in your head
It s bangin round from when you wake up
Until you go back to bed
It s just like that ice cream cone
Dripping down your hand
You gotta learn how to lick it
Or you ll be in a sweet sticky puddle right where you stand...
Be in a sweet sticky puddle right where you stand...

Chorus
