(F) People will tell you that (Dm) this kind of love will (Am) fade (C)
That (F) being in love like (Dm) this is only a (Am) phase (C)

(F) All you gotta do is (Dm) look at me that (Am) way (C)

(Chorus)

And there you (F) go makin me (Dm) fall in love (Am) again (C)
There you (F) go makin me (Dm) fall in love (Am) again (C)
Oh, and (Bb) I gotta tell you (F/A) there s nothin better
(Gm) You and me together, (F) workin on forever
(Bb) Everyday with you is (F/A) always somethin new
You (Gm) only gotta be (C) yourself
And there you (F) go makin me (Dm) fall in love (Am) again (C)

(F) Baby sometimes you can (Dm) say the craziest (Am) things (C)
I (F) love how you don t (Dm) care what nobody (Am) thinks (C)
You re (F) highly original, (Dm) totally untypical, (Am) never change (C)
(F) All I gotta do is (Dm) look at your smiling (Am) face (C)

Chorus

(F-Dm-Am-C)

(Bb) You re my sunshine, you re my (F/A) rain
(Gm) Sure feels good to know you feel the (C) same
(Bb) I gotta tell you (F/A) there s nothin better
(Gm) You and me together, (F) workin on forever
(Bb) Everyday with you is (F/A) always somethin new
(Gm) Only gotta be (C) yourself
And there you (F) go makin me (Dm) fall in love (Am) again (C)
There you (F) go makin me (Dm) fall in love (Am) again (C)
There you (F) go makin me (Dm) fall in love (Am) again (C)
