

Breaking Your Own Heart
Kelly Clarkson

Intro: **E B F#m A**

E B F#m A
Shaking your head like it s all wrong
E B F#m A
Before you re here you re already gone
E B
And even with the light all around you
F#m A
You re all alone in the dark
E
You re breaking your own heart
B F#m A
Taking it too far down the lonely road
E
You say it s just one love
B F#m A
But when it s close enough you just let it go
E B
The very thing you ve been the most afraid of
F#m A E B F#m A
You ve been doing it from the start, breaking your own heart
E B F#m A
Too many tears, too many falls
E B F#m A
It s easy to hear behind these walls
F#m C#m
But you don t have to walk in the shadows
E B
Life is so hard

E
You re breaking your own heart
B F#m A
Taking it too far down the lonely road
E
You say it s just one love
B F#m A
But when it s close enough you just let it go
E B
The very thing you ve been the most afraid of
F#m A E B F#m A
You ve been doing it from the start, breaking your own heart
E B F#m A
You re breaking your own heart

E B F#m A

It s not too late, I m still right here

E B F#m A

If only you let go of your fears

E

You re breaking your heart

B

F#m A

Taking your own heart down the lonely road
