

Catch My Breath  
Kelly Clarkson

**E**            **F#m**            **A**  
 Heavy heart now a weightless cloud  
**D**            **F#m**            **A**  
 Making time for the ones that count  
**E**    **F#m**            **D**  
 I ll spend the rest of my time  
                                  **A**  
 Laughing hard with the windows down  
**E**    **F#m**                            **A**  
 Leaving footprints all over town  
**D**    **F#m**                            **A**  
 Keeping faith kinda comes around  
**E**            **F#m**            **D**  
 I won t spent the rest of my life  
                                  **A**                            **E**  
 Catching my breath, letting it go  
                          **F#m**                                            **D**  
 Turning my cheek for the sake of the show  
                          **A**                            **E**  
 Now that you know this is my life  
                          **F#m**                                            **D**  
 I won t be told what s supposed to be right

**A**  
 Catch my breath  
**E**  
 No one can hold me back  
**F#m**                                            **D**  
 I ain t got time for that  
                          **A**  
 Catch my breath  
**E**  
 Won t let them get me down  
**F#m**                                            **D**  
 It s all so simple now

**A**    **E**    **F#m**    **A**    **E**    (**F#m**)  
 You helped me see  
                  **A**            **E**    **F#m**  
 The beauty  
                  **D**  
 In everything

**A**                            **E**  
 Catching my breath, letting it go
