

Don't Let Me Stop You
Kelly Clarkson

Intro 2x: D A E D

D A
I used to be a little bit shy
E D
I kept my deepest feelings inside
D A F#m
Speaking up to you about my emotions
E
Has always been hard
D A
But this just can't wait
E D
Tonight I feel a little bit brave
D A F#m
So I won't let one more day pass without you
E D
Explaining what we are

Bm
This is gonna sound kind of silly
F#m
But I couldn't help but notice
E
The last time you kissed me
D
You kept both eyes opened
Bm
Baby can you tell me what does that mean?
F#m
If you're looking over your shoulder
E
Then you don't need to be with me
D
And I don't need to hold on

A
Don't let me stop you
E D
From doing what you want to do
F#m A
You don't wanna stick to just me, it's cool
E
Take no chance, get over you
D A
No no, don't let me stop you
E D

If you wanna leave baby you can leave

F#m **A**

Just don t pretend that you re into me

E

If it ain t true, no

D

Don t let me stop you

A

A lot of things I can t take

E **D**

Got a half thresh hold for pain

D **A**

But let s get one thing straight

F#m **E**

I m not down to share you with anyone

D **A**

If that s not what you re looking for

E **D**

Nice knowing you but there s the door

D **A** **F#m**

Cause I know that I can find someooooone

E **D**

Who ll give me what I want

Bm

This is gonna sound kind of silly

E

If it ain t true, no

D

Don t let me stop you

A **F#m** **E**
Even if I end up broken hearted
D **E**
I won t lie I don t wanna hear your goodbye
D
But either way I ll be alright

A
Don t let me stop you
E **D**
From doing what you want to do
