II

(Repeat Stanza I Chords)

You didn't have to fall  
I didn't need your tears  
I didn't want your pity  
Just any feeling at all  
Would have been sufficient  
I never felt so small  
So insignificant

You left me naked with  
Nothing at all  
How could i be so blind?

Repeat Chorus

**Gm**            **C**  
Falling down  
**Gm**            **C**  
Darkness surround me  
**Gm**  
I open my eyes  
          **C**                    **Bb**  
I found my path and cry

**Bb**                    **Bb/B**  
Did you ever believed in me  
**Gm**                    **Eb**  
Did you ever even called me

Repeat Chorus
