

Just Missed The Train
Kelly Clarkson

Gsus4/E **Gsus4/E**
Roll over baby, the time has come
G
to make a little bit more room
Gsus4/E **Gsus4/E**
I've hung around you, it's getting tough
G
I think I'm gonna break down soon
Em
I remember, crying in the park, it was getting dark
Cm **D**
Suddenly I looked up you were my sky

Chorus:

Gsus4/E
So go on and
G
Sleep darling
D **Em** **Gsus4/E**
Why don't you pretend we were just a dream
G
It's cool baby
D **Em**
It doesn't matter anyway
Gsus4/E **G**
I'm so sorry
D **Em**
We got to the station a little too late
Gsus4/E
It's such a shame
G
We just missed the train

Verse2:

Gsus4/E **Gsus4/E**
Be quiet angel, don't make a sound
G
Just save it for a rainy day
Gsus4/E **Gsus4/E**
Oh can't you see me, I'm such a mess
G
Just trying hard to find my way
Em

You remember wasting all the time

We were feeling fine

We were all right
