

Lies

Kelly Clarkson

I place the capo on 6 because that is a good level for my voice.
The chords were picked up by ear, and in the bridge i played a
simplified version of the guitar solo in the original song.
play it the way it works best for you. Enjoy!

Capo 6

Standard Tuning

Em 022000

Am 002210

Em* 022002

Em** 022003

Am * 002212

D 000232

Em

Em **Am** **Em**

You said the moon was ours, yeah

Am

You said the moon was ours to held with today,

Em

The sunlight will always take love away,

Am

Brings out suspicions and weak alibis

Em

But I can see through your tear blooded eyes and your

Em

Am D

Your lies, lies, lies, oh, lies,

(no strum) **Em**

la la la la la lies.

Em

Em

Am

Em

I got a storm where, where my heart should be

Am

I got a storm where my heart should be

Em

And nothing I do will make you love me,

Am

Iâ€™ll leave this town, forget all my pride

Em

And be no more use for any disguise and your

Em

Am D

Your lies, lies, lies, oh, lies,

(no strum) **Em**

la la la la la lies.

Am Am* Em Am Am* Em Em* Em** Em Am Am* Am Am* Em

Em

Em Am Em

Oh I wanna die Ohhh without pain

Am

Yes, I wanna die, Lord, without pain,

Em

In all this deception I can't maintain.

Am

The sun, the moon, the stars in the sky,

Em

It hurt me to bear if you said goodbye

Em

Am D(hold)

So I listen to your lies, lies, lies, oh, lies,

Em

la la la la la lies
