

Low

Kelly Clarkson

Intro: **A E A E**

A E

Everybody s talking

A E

But they don t say a thing

A E

They look at me with sad eyes

A E

But I don t want the sympathy

A E

Its cool you didn t want me

A E

Sometimes you can t go back

A E A

But why d you have to go and make a mess like that

Asus B C#m

Well I just have to say

B Asus

Before I let go

Refrão:

D A

Have you ever been low?

D A E D

Have you ever had a friend that let you down so?

A

When the truth came out

D A

Were you the last to know?

D

Were you left out in the cold?

E

What you did was low

A E

No I don t need your number

A E

There s nothing left to say

A E B C#m

Except I never thought it d hurt this much to be saved

F

My friends are outside waiting

B

I ve gotta go

D **A**
Have you ever been low?

D **A** **E** **D**
Have you ever had a friend that let you down so?

A
When the truth came out

D **A**
Were you the last to know?

D
Were you left out in the cold?

E
What you did was low

Asus E
What you did was low (low)

Asus E
What you did was low (low)

Asus E
What you did was low (low)

C#m **E**
I walk out of this darkness

With no sense of regret

A
And I go with a clear conscience

C#m
We both know that you can't say that

F#
Here's to show

A
For all the time I loved you so?

B C#m A
So...

Repete Refrão 2x

D **A**
Have you ever been low?

D **A** **E** **D**
Have you ever had a friend that let you down so?

E
Cuz what you did was low
