

Maybe

Kelly Clarkson

Intro: **Em G Em G**

Em G

I m strong but I break

Em G
I m stubborn and I make plenty of mistakes

Em
Yeah, I m hard

G
And life with me is never easy

Em
To figure out, to love

G
I m jaded but i m so lovely

C
All you have to do is hold me

G A
And you know, and you see just
How sweet it can be

C
If you trust me,
G A
love me, let me, maybe

Em
Maybe...

G Em
Someday when we re at the same place

G Em
Or we re on the same road when it s okay to hold my hand

G C
Without feeling lost without all these excuses

G A
When it s just because you love me

C G A
You let me you need me maybe maybe

C
All you have to do is hold me

G A
And to know and to see just how sweet it can be

C G A
If you trust me love me let me baby maybe

Em G
I m confusing as hell yeah I m north and south

C A
And I ll probably never have it all figured out

Em

But what I know is I wasn't meant
To walk this world without you

G

And I promise I'll try I'm gonna try

C

A

To give you every little part of me

Em

Every single detail you miss with your eyes

G

And maybe, maybe yeah maybe

C

A

Em

Yeah maybe, maybe yeah maybe maybe

One day we'll be together

G

You'll need me you'll see me completely

C

A

Em

Every little bit of me oh and maybe you'll love, you'll love me then

C

G

A

I don't want to be tough and I don't wanna be proud

C

G

A

I don't need to be fixed and I certainly don't need to be found

C

G

A

I'm not lost I need to be loved I just need to be loved

C

G

I just want to be loved by you and I won't stop

A

Em

Cause I believe that maybe yeah maybe

G

Em

G

Maybe yeah maybe maybe maybe?

Em

I should know better than to touch the fire twice

G

C

But I'm thinking maybe, yeah maybe you might

G

A

Maybe, love maybe
