

Gm

But when your day comes and he s through with you

Dm C

And he ll be through with you

You ll die together but alone

Dm C

You wrote me in a letter

Gm

You couldn t say it right to my face

Dm C

Give me that Sunday school answeare

Gm

Repent yourself away

Gm F

Does it hurt to know I ll never be there?

Gm Bb

Bet it sucks to see my face everywhere

Gm Bb C

It was you that chose to end it like you did

I was the last to know

Gm F

You knew exactly what you would do

Gm Bb

And don t say you simply lost your way

Gm Bb C

She may believe you but I never will... never again

(G F E Eb)

Never again will I hear you

Never again will I miss you

Never again will I fall to you

Never, never

(G F E Eb)

Never again will I kiss you

Never again will I want to

Never again will I love you

Never, never

Gm F

Does it hurt to know I ll never be there?

Gm Bb

Bet it sucks to see my face everywhere

Gm Bb C

It was you that chose to end it like you did

I was the last to know

Gm F

You knew exactly what you would do

Gm Bb

And don t say you simply lost your way

Gm Bb C

She may believe you but I never will... never again
