

Piece by Piece
Kelly Clarkson

Intro: **B**

G#m **E** **B**
And all I remember is your back
G#m **E** **B**
Walking towards the airport leaving us all in your past
F# **G#m** **E**
I traveled fifteen hundred miles to see you
F# **G#m**
Begged you to want me
E
But you didn't want to

B
But piece by piece he collected me
F#
Up off the ground where you abandon things
G#m **E**
And piece by piece he filled the holes that you burned in me

At six years old and you know
B
He never walks away

He never asks for money
F#
He takes care of me

He loves me
G#m
Piece by piece

He restored my faith
E
That a man can be kind
B
And a father could stay

G#m **E** **B**
And all of your words fall flat
G#m **E** **B**
I made something of myself and now you wanna come back
F# **G#m**
But your love it isn't free
E
It has to be earned
F# **G#m**

Back then I didn't have anything you needed
