

**Whoever Did That Wasnt Me**

**Kelly Clarkson**

CAPO 1st

intro:G

G

Every night I pray  
That the ghost in your head will just fade away

C

All the ways I have tried to get in

G

I keep thinking I could break em down  
All the walls in your heart would fall to the ground

D C

But there are moments you look at me now

D

and I wonder

G D C

Who, who, whoever loved you like that

G D C

Who, who, whoever broke your wings

Am D

I see you re hurtin and where you got burned

C D G

But whoever did that wasn t me

G

Without any words slowly you move away  
Without anything left for me left to say

C

Where d you go

G

I ve been holding on to little things  
All these pieces of you I ve been saving

D C

Hoping one day I won t have to hold

D

so tightly

G D C

Who, who, whoever loved you like that

G D C

Who, who, whoever broke your wings

Am D

I see you re hurtin and where you got burned

C D G

But whoever did that wasn't me

**C**

If you cry I will too  
When you call I won't walk

**G**

I will run to you

**C**

If you ever lose sight of my love I won't hide

**Am**      **D**

I'll find you

**G**

**D**

**C**

Cause who, who, whoever loved you like that

**G**              **D**              **C**

Who, who, whoever broke your wings

**Am**              **D**

I see you're hurtin' and where you got burned

**C**              **D**              **G**

But whoever did that wasn't me

**C**              **D**              **G**

Yeah whoever did that wasn't me
