E C#m

E

When you hit the bottom

C#m

When you re left with nothing

A

B

When you can t tell the difference, yeah

E

You still won t know what it s like

E

When you think you re damaged

C#m

When it s overwhelming

A

B

When you can t get past it, yeah

E

You still won t know what it s like

A

What it s like

E

C#m

You haven t seen the ghosts that I ve seen

E

C#m

You haven t lived enough to know what it means

A

B

To feel the pain in love turned cold

A

B

To taste the end before it s over

E C#m (2x)

E

When your body s frozen

C#m

E

C#m

And you can trust no one

A

When you think you re lonely, yeah

B

C#m B A

You still won t know what it s like

E **C#m**
When you feel like nothing

E **C#m**
You just can't take it

A **B**
When your heart is breaking, yeah

C#m
You still won't know what it's like

B **A**
What it's like

E **C#m**
You haven't seen the ghosts that I've seen

E **C#m**
You haven't lived enough to know what it means

A **B**
To feel the pain in love turned cold

A **B**
To taste the end before it's over

E **C#m**
You don't know the person suffering

E **C#m**
So before you start ??? ??? for sympathies

A **B**
Take a look at what's left of me

A **B**
Take a look at what's left of me, left of me

C#m **B?**
Every day I fight ??? ??? ??? ???

C#m **B?**
And every time I think you've ??? ??? ???

B
No I'm not

E **C#m**
You haven't seen the ghosts that I've seen

E **C#m**
You haven't lived enough to know what it means

A **B**
To feel the pain in love turned cold

A **B**
To taste the end before it's over

E **C#m**
You don't know the person suffering

E **C#m**
So before you start ??? ??? for sympathies

A B
Take a look at what's left of me

A B
Take a look at what's left of me, left of me (2X)
