You Thought Wrong
Kelly Clarkson

Introdução: **Cm, G#**
            Cm, G#, G
            Cm, G#
            Cm, G#, G

Riff 1

```
E|----------------------------------------------------|
B|----------------------------------------------------|
G|----------------------------------------------------|
D|----------------------------------------------------|
A|-1-3----1-3----1-3----1-3-----1--3-----------------|
E|----------------------------------------------------|
```

Cm   G#
I see how your trying to weasel
                Cm
Your way in
Boy I know how you maneuveur
G#
With your confusion

Cm
You tell me that I m your only
G#
And how bad that you want me
Cm
Well then why are you so shady
G#
If I m supposed to be your lady

Cm   G#   Cm
Why should I believe anything you say
                  G#
And how could you shame me that way
          Cm   G#
Tell me where where did you get the nerve
        F
To even think that you you could
G
Play me wrong

            Cm
You thought we didn t know
                G#
You thought we were in the dark
          Cm

But boy your covers blown
  G#
Cause we both know now
            Cm
You thought you had us fooled
    G#
At your beck & call
      Cm
But now who s the joke
        G#
And look who s laughing now

Cm   G#
Now your trying to use us against one another
But it won t work
Cm
I see right though your game boy
G#
And I know exactly where to play boy
Cm
You tried to deny all your actions
G#
For once in your life be a real man
Cm
At least give me the proper respect
G#
Of the truth I already know you did it

Cm   G#   Cm
Why should I believe anything you say
                  G#
And how could you shame me that way
            Cm   G#
Tell me where where did you get the nerve
         F
To even think that you you could
G
Play me wrong

            Cm
You thought we didn t know
              G#
You thought we were in the dark
          Cm
But boy your covers blown
  G#
Cause we both know now
            Cm
You thought you had us fooled
    G#
At your beck & call
      Cm
But now who s the joke

```
          G#
And look who s laughing now

RIff 1
I see right through you baby
Try not to be like you don t want me
F                                G#          G#
Why don t you get it through your thick head
Riff 1
Cause I ve seen this game before
And I m not trying to see it no more
F
Shut your mouth
            G#                   G#
I m not trying to hear your lies
                 Cm   G#
No not again
Cm             G#
Sorry you couldn t be a better man

               Cm
You thought we didn t know
                 G#
You thought we were in the dark
          Cm
But boy your covers blown
 G#
Cause we both know now
             Cm
You thought you had us fooled
    G#
At your beck & call
      Cm
But now who s the joke
        G#
And look who s laughing now
```
