contradiction
tabd by chuck @:>

A **D**
when i see you i forget about ash hall

Am **A**
i dont feel you any more

A **D**
and dont i need you

D **A**
but i dont need nothin at all

D **D**
but the joke is that i dont miss any of your smothering

D **D**
at all and oah your toutch ticks me off

D **D7**
and oah the way it makes me crazy

D7 **D**
i dont want you do you want me its an adiction the friction a contradiction

chorus:

D
i love you, i love you, i love you, i love you,

D
i love you, i love you, i love you so tell me no

D
i love you, i love you, i love you, leave me alone

D
i hate you, i hate you, i hate you, i need you so

A
tell me more now

D

but dont let me know to much

Am

the lie there screws me up

A

D

and i may want you but i dont

Am

D

want nothing at all but your ur turn

D

D

when im busy and your not to make me dizzy

D

D

ill be fine when u dont miss me

D

D

ull be none when u dont piss me off

D

D

why cant you see right through me

D

D

and my addiction the friction a contradiction

chorus:

D

i love you, i love you, i love you, i love you,

D

i love you, i love you, i love you so tell me no

D

i love you, i love you, i love you, leave me alone

D

i hate you, i hate you, i hate you, i need you so

D

i love you, i love you, i love you, get out a here,

D

i love you, i love you, i love you when ur not here

D

i love you, i love you, i love you ur killin me

D

i hate you, i hate you, i hate you your through with me

D

cause i dont need nothin at all

D

but the joke is that i dont miss any of your smothering

D

at all and oah your touth ticks me off

D

and oah the way it makes me crazy

D

i dont want you do you want me its an adiction

D

the friction a contradiction
