Verse 1

**G**

234 beat it boy I ve found another  
He knows me just like my mother  
My temperamental signs  
The reasons I despise of in you

Verse 2

**G**

So haws it feels to be hung out there  
To be the one who doesn t know where  
Everything went wrong  
And why I wrote this song just  
For you, just for you

Chorus:

**A** 7fret

It use to be about happy ever after  
Now I know that nothing is for ever

**G** b5fret

You and me its just misery

**G**

And I pushed reset

b5fret

And were disconnected

**A** 7fret

I use to think you were everything  
That I would need

**A** 5fret

Now I know you re the crush that could have killed me

**G** **A** 5fret

Save your breath cause im not up set  
Imp just over it and were disconnected

Verse 3

**G**

Don't look at me like you're confused  
And you can't believe that I left you  
Like you're some amazing prize  
That depends whose eyes you're seeing through

Verse 4

**G**

So later see you I'm reminded  
Of all the wrongs you never righted  
Underneath your cool hope your droning  
In your pool you fallen in cause you can't swim

Chorus:

**A 7fret**

It used to be about happy ever after  
Now I know that nothing is for ever

**G A5**

You and me it's just misery

**G**

And I pushed reset

b5fret

And were disconnected

**A 7fret**

I used to think you were everything  
That I would need

**A 5fret A5**

Now I know you're the crush that could have killed me

**G A 5**

Save your breath cause I'm not up set  
I'm just over it and were disconnected

Take back your rollercoaster of the life  
I'll find a better way to waste my time

Verse 5

**G**

234 beat it boy IV found another  
He knows me just like my mother  
My temperamental signs  
The reasons I despise of in you  
Of in you

Chorus:

**A 7**

It used to be about happy ever after  
Now I know that nothing is for ever

**G A5**

You and me it's just misery

**G**

And I pushed reset

**A5**

And were disconnected

**A 7**

I use to think you were everything

That I would need

**A 5**

Now I know you re the crush that could have killed me

**G**

**A 5**

Save your breath cause imp not up set

Imp just over it and were disconnected
